

Bracket Computation Request

Instructions

Before returning this form to Roof Extenda, please ensure you've met each and EVERY requirement as listed just below.

- Filled out **EVERY** section in available spaces on both forms below.
- Attach a copy of your building plans
(This will help us assist you, but is no substitute for filling out the form).
- Ensured that your contact information is correct.
- Read and understood the section in Green.
- Ensure **BOTH** pages are completed before returning

There is no cost to you for this service*. Please allow 24 hours for a reply

(*Fees may apply if independent certification is required)

You can send these forms in via E-MAIL to info@roofextenda.com.au

Or via FAX on 03 5978 8016

If you have any further questions, please CALL us on (03) 5978 8755

NOTE:

IF ALL THE SECTIONS OF THE FORMS ARE NOT FILLED OUT, WE WILL BE UNABLE TO ASSIST YOU WITH YOUR REQUEST.

Date: _____

Bracket Computation Request

- This request form covers pergola or carport flat roofs which are ($\leq 15^\circ$) or pitched roofs ($\leq 30^\circ$) with open gable ends.
- For complex roof shapes or where walls or enclosed gable ends are proposed, please contact us at Roof Extenda.
- Ensure wall top plate is 90mm or greater before proceeding with this form or bracket installation.
